SUPERINTENDENT OF SCHOOLS

Brian Capistran

3/28/2016

It is with regret that Independence High School had to report the use of an ineligible player to the Arizona Interscholastic Association by the varsity baseball team. Two tournament games (2/27/2016 vs Copper Canyon and 3/17/2016 vs Santiam Christian Oregon) were reported as forfeits as well as two power point games (3/1/2016 vs South Mountain and 3/11/2016 vs Wickenburg). As a result of these of this, the two power point games will no longer count for victory points toward the state playoffs. We will still have the opportunity to compete in the playoffs if we garner enough power points in the remaining 16 power point games. The coach is aware of the situation and we will work hard so that this type of situation does not happen again.

Brian Fitzgerald
Assistant Principal Operations and Resources
